

Are you overwhelmed and stressed out with your finances?

Are you reluctant to pay thousands of dollars for a Comprehensive Financial Plan?

More than a book on personal finance, TEN WEEKS TO FINANCIAL AWAKENING, is a **revolutionary finance/self awareness program** that allows you to:

- Understand your relationship to money and what you really want in life.
- Establish an organizational system to keep all the paper from suffocating you.
- Set up and manage your finances with Quicken® software—successfully.
- Make informed decisions about work, debt, investing, insurance, taxes, retirement, and estate planning—exploring hundreds of ‘What If’ options.
- Keep your personal financial plan updated with changes that occur in your life.
- Experience happiness and contentment by learning to ‘ground’ with your money.

What the experts are saying about TEN WEEKS:

“Committing to ten weeks with Paul’s process will result in a big payoff. You’ll not only find answers to the financial puzzle, but you will find it provides a roadmap to peace, understanding and success in the ‘wholeness’ of your life.”

—Vern C. Hayden, CFP®

Founding Chairman, National Endowment for Financial Education
Author of *Getting an Investing Game Plan, Creating It... Working It... Winning It*

“I have worked with and seen many financial planners and books on the topic worldwide and I have never before read anything that comes even close to Paul’s system. You will learn about how genuine happiness, contentment, and money can co-exist in your life. This complete money system will set you free financially FOREVER. This book is so important to your life. Do it for yourself NOW.”
