

Ten Weeks to Financial Awakening:
A Guidebook to the Creation of Your Own Financial Plan
Using Quicken® Software

Money Attention Pages Addendum

Release Date: June 10, 2014

Background:

This Addendum provides critical information that will update the Money Attention Pages with financial and technical information that has changed since release of the book in October, 2003.

Recommendations on How To Use this MAP Addendum:

1. If you already have your TEN WEEKS binders setup, please 3-hole punch this Update and insert it directly behind the Tab to which the MAP Page Relates. For example: All MAP ADDENDUMS relating to Week 5, begin with 5, such as “MAP 5-7”, would be inserted behind the “Week 5” tab.
2. When you are ready to work that Week of the Program, please refer to the Page References listed on each MAP ADDENDUM and simply write – “See Addendum # ____”, or copy the updated information directly on to the MAP Page from the ADDENDUM.
3. When you have updated the MAP Page, please put an “X” on the “Update Complete” line.

If you do not yet have your TEN WEEKS binders, I suggest you staple these pages together and insert them in a manila file labeled “**2014** MAP ADDENDUM”. Please follow instructions # 2 and # 3 above after this point.

Thank you,
